LOCAL BREVITIES.

Matters of Minor Moment in and About
the City.

Stone & Thomas' new building is
going up rapidly and when finished,
will make a great improvement in that
quarter of the city.

The Riverside tube works is running
about half its capacity. One furnace of
the plant mild is off and the steel works
has been off the past week.

Elsie Grey and John Brady are be-
hind the bars once again, this time
for trying to clean out May Williams'
house and all the inmates therein.

James Martin, of Upper Benwood,
while at his work at the Riverside blast
furnace, was struck in the forehead
with a piece of flying metal, which in-
flicted a painful, but not serious injury.

The members of the various singing
societies are rehearsing for the sum-
mer festival which they are to partici-
pate in during the national Bavar-
ian convention, which is to be held here
next week.

There was no meeting of council last
night. Thirteen members of the second
branch responded to their names, when
the roll was called by Clerk Danner-
berg, but only three first branch mem-
bers showed up.

The Dover marching club, of the
Eighth ward, will meet to-morrow
evening and business of importance will
be transacted. The red, white and blue
lanterns which were ordered by the
club, have arrived and will be distrib-
uted at to-morrow night's meeting.

Yesterday afternoon Mr. Jacob Rietz
an old resident of the Sixth ward, died
at his residence, at the head of Twen-
ty-fourth street, in the seventy-fourth
year of his age. Mr. Rietz was well-
known throughout the city and many
friends will join with the relatives in
mourning his loss. The funeral will
take place to-morrow afternoon at 3
o'clock. Interment at Red Men's cem-
etery.

The first silverite meeting of the
campaign was held in Bridgeport last
night and was attended by a small
crowd. The speakers were James Tall-
man, of Bellaire, and George Danner-
berg, of Bridgeport. The latter gentleman
condemned both the Democrats and
Republican parties as being run by
scheming politicians and unfit to rule
the country. Hon. Ross J. Alexander
followed him in a brief approval of
what he had said.

to be a great success in every way.
About forty entries have been received
among them being some crack billiard
players. The contestants have been

capture the respective classes, and a
number of candidates are in the field.
A consolation prize will be one of the
features in class B.

To Cleanse the System

Effectually yet gently, when constive or
bilious, or when the blood is impure or
sluggish, to permanently overcome
habitual constipation, to awaken the
kidneys and liver to a healthy activity,
without irritating or weakening them, to
dispel headaches, colds, or fevers, use
Syrup of Figs.

It doesn't matter much whether sick
headache, biliousness, indigestion and
constipation are caused by neglect or
by unavoidable circumstances; De-
Witt's Little Early Bitters will speedily
cure them all. Charles R. Goetze, corner
Twelfth and Market streets; Bowle &
Co., Bridgeport; Peabody & Son, Ben-
wood.

THE NEW ORDER.

Knights of Khorassan to be Insti-
tuted Here To-day.

MANY DISTINGUISHED PERSONS

Will be in Wheeling to Witness the Cer-
monies, which are to be Conducted on
an Elaborate Scale—Howard Douglass,
of Cincinnati, One of the Visitors—The
Dahna Temple is a Vigorous Infant.
Programme of Afternoon and Evening.

This evening is the time set for the in-
stitution of Dahna Temple No. 64, Dra-
matic Order Knights of Khorassan.
The programme arranged for the event
is a very attractive one. It will mark the
institution in Wheeling of the side de-
gree to Pythianism that is destined to
become one of the most popular in ex-
istence. Distinguished knights from all
parts of the state will be here for the oc-
casion and that they will be entertained
in royal style goes without saying.

A very pretty souvenir programme
has been printed and sent out to all the
members and to each temple of the or-
der. It announces that the day's festi-
vities will begin at 3:30 this afternoon,
when all the visiting and local D. O. K.
A's will assemble in full costume at
the Pythian castle, corner of Twenty-
seventh and Chapline streets for the pa-
rade. At 4 o'clock the procession, head-
ed by Meister's full band, will move over
the following route: Up Chapline to
Twenty-fourth, down Twenty-fourth to
Main, up Main to Tenth, on Tenth to
Market, down Market to Twentieth, on
Twentieth to Chapline, and down Chap-
line to the castle and disband.

The members will re-assemble at 7
o'clock for the work of institution, which
will occupy the time until nearly mid-
night, after which they will sit down to
a banquet, which will be spread in the
auditorium of the building.

The officers of the new temple have
been elected, as follows: Venerable
whisk, William J. Cook; royal vicer,
William McCormick; grand emir, Ed-
ward S. Ellis; mahedi, George Hartong;
Joe, M. H. McNabb; mohanna, Ernest
Kumm; menial, Charles Reupke; subh,
A. M. Jones; secretary, A. L. Downs;
treasurer, John G. Haberfeld.

Dahna Temple starts off with a mem-
bership of 150, and as it is the only tem-
ple to be instituted in the Pan-Handle,
the membership will probably be in-
creased to 500 before the winter is over.
The parade promises to be a novel
feature and will attract general atten-
tion.

A number of the delegates to the
Democratic state convention are mem-
bers of other temples and will join with
the Arabs of this Order in making the
desert howl. The Fairmont temple will
be here in large numbers and will prob-
ably be headed in the parade by their
own band, which arrived in the city last
evening. It is the intention of those in-
terested to urge the adjournment of the
convention immediately after the tem-
porary organization has been effected,
so that the delegates may return to the
city in time for the parade.
Hon. Howard Douglass, of Cincinnati,
and a number of other distinguished of-
ficers, will be present at the institution.

Hubbard and Henry M. Russell, com-

By Steamer, Train or Boat!

Which of these have you selected as a
means of travel? No matter. Whichever
it is, recollect that for seasickness, dis-
orders of the stomach, liver and bowels,
engendered by rough locomotion and bad
food or water, and for malarial troubles,
Hoettner's Stomach Bitters is the most
useful specific you can take with you.
It is invaluable also for rheumatism, kid-
ney complaints and nervous trouble.

THE whole system is drained and un-
dermined by indolent ulcers and open
sores. DeWitt's Witch Hazel Salve
speedily heals them. It is the best pile
cure known. Charles R. Goetze, corner

wood.

The Ideal Panacea.

James L. Francis, alderman, Chicago,
says: "I regard Dr. King's New Dis-
covery as an ideal panacea for coughs,
colds and lung complaints, having used
it in my family for the last five years,
to the exclusion of physician's pre-
scriptions or other preparations."

Rev. John Burgess, Keokuk, Iowa,
writes: "I have been a minister of the
Methodist Episcopal church for fifty
years or more, and have never found
anything so beneficial, or that gave me
such speedy relief as Dr. King's New
Discovery." Try this ideal cough rem-
edy now. Trial bottles free at Logan
Drug Company's drug store.

been used by millions of mothers for
their children while teething, with per-
fect success. It soothes the child, soft-

wind colic, and is the best remedy for
diarrhoea. Twenty-five cents a bottle.
